Murder Charge Considered for Greenfield Man

GREENFIELD, Ind. (AP) — A Hancock County grand jury will convene Wednesday to consider a first degree murder charge against Jeffrey A. Bailey, 19, Indianapolis.

Bailey was charged in the Nov. 20 slaying of an Indianapolis high school freshman. The body of Robert Jackson Jr., 15, was found in Buck Creek, near Cumberland, Nov. 22.

Police said Bailey was arrested Dec. 22 in Bakersfield, Calif. for speeding in a car he failed to deliver to Los Angeles for an Indianapolis auto dealer.

Police said the day Jackson's body was found, Bailey withdrew $50 from an Indianapolis bank and left in a car he had contracted to deliver to Los Angeles for an Indianapolis auto dealer.
